

2016 Child Impact Report

Thank you Southern Nevada for helping us enhance the quality of life for local children diagnosed with rare, life-limiting, and complex medical conditions.

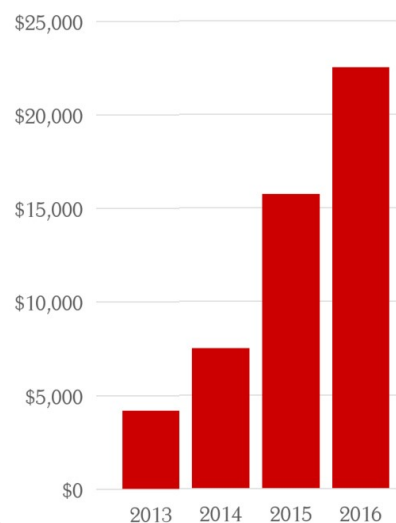

As we look back at 2016, we can see what an amazing and productive year we have had! Since 2012, we have:

- Raised over \$75,000 to help local children and families
- Purchased 70+ pieces of equipment including:
 - 8 special needs car seats
 - 6 special needs tricycles
 - 7 special needs bathing chairs
 - 4 communication software programs
 - 7 special needs feeding chairs
 - 12 special needs chairs
- Worked with 133 families with children diagnosed with 45+ rare diseases
- Over 1250 people joined us at Town Square for our 5th annual Rainbows in the Wind Festival Fundraiser in July 2016
- Delivered 125 care bags to local area pediatric intensive care hospital units
- We are a family-run, 100% volunteer supported organization
- Met with members of Congress on Capitol Hill multiple times to discuss 21st Century Cures Initiative to encourage childhood rare disease research

- Equipment Grant
- Rare Disease Advocacy
