Show your support for
Childhood Rare Disease Awareness
with a 5k and 1 mile fun run!

Thank you for your consideration in sponsoring our upcoming event, our 4th annual *Vegas Cares About Rare Kids 5K*. This community event is scheduled to take place on February 29, 2020, in Las Vegas, in recognition of World Rare Disease Day.

Since our first community fundraising event in 2012, we have raised more than $125,000 to support our mission to help enhance the quality of life for young children diagnosed with life-limiting rare diseases, undiagnosed complex medical needs, and children who have been placed in hospice or palliative care in Southern Nevada. Our goal for this event is to raise $30,000 to continue to help our special families.

Our volunteer-staffed organization offers financial assistance for families by way of our Medical and Therapy Equipment Grant program. We also organize support groups and family activities as well as hold various toy and hospitality drives to support local Las Vegas area pediatric hospital units.

But we need YOUR help.
We can only continue to provide these support services and activities by obtaining the necessary funding. We offer various levels of sponsorship to fit your resources.

Please help us provide support and comfort for our local families who live daily with the financial, emotional, physical, and social struggle that caring for a medically complex child can bring. We can't change their inevitability, but we can help them focus on enhancing the quality time they have with their ill child.

We can't do it without the support of our community.

Attached you will find information regarding our organization and this event as well as sponsorship information. Please contact me at robert@littlemisshannah.org or 702-818-0140 to discuss the available options.

We look forward to your support and hope you join us on this very special day!
