A Rare Community

Thank you for considering sponsorship of the 8th annual Vegas Cares About Rare 5K, coming up Saturday, February 10, 2024 at Cornerstone Park in Henderson, Nevada, in recognition of World Rare Disease Day.

Since our first community event in 2012, we have raised more than \$250,000 to support our mission to help enhance the quality of life for children living with rare or life-limiting diseases as well as undiagnosed complex medical conditions.

Our goal this year is to raise \$30,000 to continue to help our special families through financial assistance via our Medical and Therapy Equipment grant program. Funds raised also go toward organizing support groups and family activities, like our Miracle League baseball team.

To keep providing care, we need **YOUR** help.

We can only continue to support the Vegas-area's rare and medically complex children through donations from people just like you. We offer various levels of sponsorship to fit your resources, or we can work with you to create the perfect fit!

Your donation helps us provide support and comfort for our local families who live daily with the financial, emotional, physical, and social struggles that caring for a medically complex child can bring. We can't change their journeys, but we can help families focus on enhancing quality time and shared joy.

Attached you will find information regarding our organization and a breakdown of sponsorship opportunities. Please contact me by email to discuss available options. We look forward to your support and hope you join us on this very special day!

ABOUT US

We are a Las Vegas-based, family-run nonprofit organization that was started in memory of our daughter, Hannah. Through the course of Hannah's life, there were many things that our family needed to help us manage Hannah's care and enhance her quality of life. Because her disease was so rare, there were few services available.

After Hannah passed away, our family decided to create an organization that directly helps Southern Nevada's rare and medically-complex families by supplying the equipment and services we were so desperately in need of during Hannah's life.

OUR PROGRAMS

COMMUNITY EVENTS

Families participate in our Miracle League baseball team, the Tee Up FORE Rare annual golf tournament, and more!
